The Call of the Wild Book Review Summary Detailed plot synopsis reviews of The Call of the Wild This book was not as terrible as I expected, but it also did not give me the feeling of having been taken on an adventure. I'm not sure how to describe it. (This review is from the point of view of a reader who read this book a few days ago.) I've already told you the basic plot in my previous review, so let's move on to my criticisms. The beginning, which
